Discreet wall mounted unit
for high efficiency & comfort

Why choose Comfora?

Comfora is a discreet wall mounted unit that provides you high efficiency and comfort. Thanks to its compact dimensions, it is ideal for above-door installations.

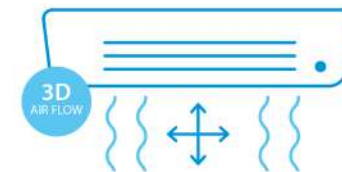

NEW Silver allergen removal filter

The Silver allergen removal and air purifying filter is your solution, because it captures allergens such as pollen to ensure a steady supply of clean air.

NEW 3-D Air flow

By pressing the buttons on the remote control, this function combines vertical and horizontal auto-swing to circulate a stream of cool/warm air right to the corners of even large spaces.

Energy efficiency

Choosing for an R-32 product, reduces the environmental impact with 68% compared to R-410A and leads directly to lower energy consumption thanks to its high energy efficiency.

Seasonal efficiency values up to A++ in cooling and heating.
